Subject: Monarch Briefing tomorrow - info. and availability
FINAL FY 18-21 FIFRA Cooperative Agreement Guidance.pdf

Cathy, Tom and Khue,

I will not be on the 9 am EDT call tomorrow morning for the briefing with Rick – I can't swing a 6am PDT meeting tomorrow. However, I think you have what you need regarding outreach, including monarch protection language in the 2018-2021 FIFRA Cooperative Agreement Guidance (attached) which provides guidance to the states and tribes for their cooperative agreements. In case you need it, the language is on pages 10, 47 and 48. We also hope to include monarch protection as part of pollinator protection in the OPP portion of the FY18-19 OCSPP NPM Guidance. The draft guidance will be developed within the next month.

Thanks!
